

We inform. We entertain. We connect.

Turn user-generated content into your most powerful organic marketing tool. Aggregate trustable content and reuse it to amplify the message of your products.

#### Challenges for Publishers:

- Content Distribution
- AD Revenue
- Visitor Experience
- The hunt for viewability

#### Opportunities:

- Integrate UGC within ads
- New & dynamic ad formats
- Content Commerce

Ringier partner up with Flaminjoy to evolve ad formats by integrating influencer content.

We call it: Social Display

**Ringier** is the largest media company in Switzerland operating internationally (Europe, Africa, Asia) with over 120 newspapers and magazines, printing houses, various radio, TV channels and over 80 web and mobile platforms.

**Flaminjoy** is a Product Experience Platform for Social Commerce, that helps you build authentic product context and deliver it anywhere for growth. This marketing platform is all you need for building relevant and convincing experiences around your products.

Collect filtered UGC, heighten it automatically, create dynamic digital assets @scale and disperse it with a few clicks.

Ringier - largest ad-network (by size, reach, and number of websites)

```
// 100+ SATI audited websites
// 55% market share
// 1,5B ad impressions monthly
// 120 instream ads
```

Flaminjoy - Product Experience
Platform for Social Commerce

```
// access to influencers
// programmatic selection of
influencers
// enhance content using creative
engine & social commerce
```
